## Examiner's Statement of Reasons for Allowance

### Allowance

1. The following is an Examiner's statement of reasons for allowance:

The primary reason for the allowance of the claims in this case, is the inclusion of the limitation "replacement side panels which are narrow between respective forward and rearward edges than the existing side panels, the forward and rearward edge being configured similarly to the existing side panels; and a replacement roof which is shorter in length and shorter in height than the existing roof" in the independent claim, in combination with the other recited limitations in claims supported by this application, which are not found in the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
